Come climb with us!

23 years ago God lead Stan and Kristina Busby to the evangelistic Word based outdoor ministry of Climbers With Christ. With the help of many like-minded faithful friends and family, they (and their 11 children) have given the gospel, and Gods words, away to hundreds of people through the many different "outdoor pulpits" of the Northwest's high mountains, valleys, and rocky crags. God continues to bring people to the mountainous areas and wilderness environments of our local alpine for personal growth and struggle, refinement, and for their refreshment.

Climbers With Christ has been run as a truly "faith based" ministry in that Stan and Kristina have never charged a fee for any of the outings. CWC relies solely upon the provision of the Lord - through prayers and offerings of his people. Anyone can participate! Thank you for your prayers.

"Mountains are for views and inspiration, but fruit is grown in the VALLEYS!"
