

Baja, Mexico Return

Dear Friends and Family,

I want to start by thanking you all so much for your prayers and financial support! I was so blessed to be able to go to Mexico and you all made it possible! Thank you so much!

Going to Mexico was life changing. I am not just saying that because that is the right thing to say either. God taught me so much! We got to share the Gospel with 1269 people; I am praying that those seeds that were planted in their hearts would grow, and someday I will see them in heaven! 309 People got saved, those lives were change for the Lord. They now are following the Lord! Please pray that they would continue to seek the Lord in their lives, and we will see those in heaven that got Saved! Praise The Lord! That was our main reason for going, Salvation!

We also got to help many people in need. We built a home, did a VBS program, and evangelism. The home was given to a family of 4 and has 3 rooms and a loft. When we handed over the keys to the home we also were blessed to be able to give them a bunch of supplies, such as food, cleaning supplies, home décor, etc. We got to share the Gospel and share the love that God gave to us. That was great! Our VBS consisted of songs, skits, games, a lesson, memory verse and crafts! We did 5 days of VBS and many kids who had not heard of Jesus were ministered to! On the Last day we were able to give them things like toys, school supplies, candy and treats. It was a lot of fun and a joy to know that those lives were and are touched by the Love of Jesus! Please pray the seeds will grow and their desire for the Lord will continue! We (our group) went door to door in the nearby town presenting the gospel, asking if they had any needs, praying with them and just connecting with them. We met a lot of people and many lives were changed by God's Amazing Grace and Unconditional Love! I want to give a huge thanks to my amazing parents. For being behind my desire for missions! I love you both so much. Thanks for always being there! Thank You for helping further the kingdom of heaven! I am praying for you and Love you all!

Haiti Opportunities

As many of you know my heart has been to go to Haiti someday. I have been blessed to be invited to go in June. I am so excited to have this opportunity and I believe that the Lord is calling me on this trip. I have asked my Dad (Stan) if he would like to come also. Please pray that He will get a confirmation from the Lord to go or not. Thanks. Please pray for others that are preparing for this trip too! Thanks.

This trip will be through Cross To Light ministries. Pam Kidder is whom I heard of it and she will be on this trip also. She is an awesome women of God and her heart for the Lord and lost is so amazing! I am blessed to know her and I can't wait to go on this trip with her! Also her amazing roommate Cathy Beadle! And for Both of you, if you are reading this I love you both so much! Also please pray for a great friend Houston Abbott. He is also praying about going to Haiti and is seeking the Lord's will in that. Also That the Lord will provide his financial needs if he is suppose to go. Helping the unreached is his heart. Please pray for the Lords will in his life - Thanks!

This trip will be around 1400 dollars. I know if the Lord wants me there He will provide, as He did for Mexico! This will cover airfare, stay, Malaria shot, and extra expenses. This trip will be 3 weeks. June 16th thru July 6th. We will be helping at a school in the morning hours and working in the surrounding area in the afternoon, helping people and working with the kids on the streets and in the orphanages. I am looking forward to this opportunity and I am praying that many people will come to Christ through it. So I am writing for your prayers! Most of you have helped me above and beyond what I could ever ask or imagine, both through your prayers and financial support! Thank you again! If you feel that the Lord is calling you to help with the financial part of this trip you can mail a check to Katie Busby Po Box 154 Lone, WA 99139. All the money that I raise will not only help me but also others that have been called by God onto this trip. I am praying you will for sure join in prayer. As we know, prayer goes far beyond what we can imagine! Thank You Again! God Bless you all!

It does not matter whether you are in a foreign mission field, work office, skiing, in school, with family, the gym, your home, camp, work, at church, or anywhere else! God has a purpose and you are called to share the gospel and make a difference! Go where God is calling you and Do what God is calling you to do! Thanks for your prayers and support!

Jesus does not ask that we care for the less fortunate, He commands it. In calling ourselves Christ followers caring for the orphans, the desolate and the widowed are not an option it is a requirement. - *Katie Davis*

I am blessed to know each and every one of you! **Love,**

I will be sending you an invitation to an upcoming banquet for Mexico and Haiti updates! Hope to see you all soon!

My group: Team Relentless
